Various option for considering safe!

PATENT APPLICATION No. 10-1056866

Never! Water Leak!

Non-Electrical Leak Detector

O Safe system for fire hazard by internal leakage.

PATENT APPLICATION No. 20-0460122

SIS
SILVER ION STERILIZER

O It protects internal pollution in tank safety.

Launched "WACO" POU Water Cooler raising innovation global market!

Premium Quality of POU Water Cooler

Point. 1
Excellent Purification effective.
Supply fresh and pure water through prefect 4 stages purification system, and Possible to apply various filter system for suitable using environment.

Point. 2
High quality design for beautiful interior.
Possible to beautiful space production with various color design.

Point. 3
Prevent skin burn function or convenience.
Applied double safe cork for safe skin burn from flushing out hot water by children's mistake and easy to select and use cold/hot water.

Point. 4
Various option for considering safe.
Applied non-power leakage protection system which our patent technology for safe from risk of leakage and possible to supplied clean and safe drinkable water with applied safe ion disinfection systems from internal pollution in tank or etc..
